

Diverse Connections: Mablethorpe

We want to help remove barriers which might get in the way for you attending these sessions, so we have created this helpful factsheet to help you.

What is Diverse Connections?

Support groups for people with autism to take part in activities, explore their favourite hobbies and be part of a community, and peer support groups for parents and carers and guardians.

At the sessions you can participate in a variety of activities that match your interests, such as air-dry clay, diamond art, gaming, board games, or anything else that you are interested in. Either just take part in the activities or make new friends and socialise at the same time, there's lots of things to do!
