10. Preparation of This Statement	5

1. Introduction

Community Learning in Partnership (Clip), part of the Acis Group, is committed to ensuring digital accessibility for all users, including people with disabilities. We want as many people as possible to be able to use our website, regardless of technology or ability.

Our website provides information about our courses, programmes and support services, helping people of all ages build skills, confidence and access learning opportunities.

2. Measures to Support Accessibility

We are actively working to improve the accessibility and usability of our website by:

- Following recognised best practices and standards for accessibility
- Designing content that is clear, simple and easy to understand
- Structuring pages to support assistive technologies such as screen readers
- Testing key pages using automated accessibility tools
- Accessibility is an ongoing priority and part of our commitment to inclusive learning and support.

3. Conformance Status

This website is partially compliant with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

The Web Content Accessibility Guidelines (WCAG) are the internationally recognised standard for digital accessibility and aim to ensure web content is perceivable, operable, understandable and robust for all users.

4. Known Accessibility Issues

We know some parts of this website are not fully accessible. For example:

- Some images may not have fully descriptive alternative (alt) text
- Some links or buttons may not have sufficiently descriptive labels
- Colour contrast may not meet minimum standards in all areas
- Certain interactive elements may not be fully operable using a keyboard
- Some PDF documents or embedded content may not be fully accessible
- We are reviewing these areas as part of our continuous improvement programme.

5. What We're Doing to Improve

We are taking the following steps to improve accessibility:

- Conducting periodic accessibility reviews and audits
- Updating content and media to meet accessibility standards
- Improving navigation and link clarity
- Reviewing templates and design components for compliance
- Providing staff with guidance on creating accessible content

6. Alternative Formats and Support

If you need information on this website in a different format (for example, accessible PDF, large print, easy read, or audio), please contact us:

- Email: info@cliplearning.com
Phone: 01427 677 377

We will consider your request and respond as quickly as possible.

7. Reporting Accessibility Problems

We are always looking to improve the accessibility of our website.

If you find any problems not listed in this statement or think we are not meeting accessibility requirements, please contact us using the details above.

8. Enforcement Procedure

If you are not satisfied with how we respond to your accessibility concerns, you may wish to contact the Equality Advisory and Support Service (EASS), which provides advice on accessibility issues.

9. Technical Information

This website aims to comply with:

- WCAG 2.1 Level AA standards
- Relevant accessibility legislation and best practice guidance

10. Preparation of This Statement

This statement was prepared on: 12th May 2026

The website was last reviewed using a combination of:

- Automated accessibility testing tools
- Manual checks of key pages and user journeys
